Dr Lindeman
Supt U.S. Mint Philada

Dear Sir - Sometime since I saw in Courier Journal of Louisville Kentucky that you could perhaps give the name & address of a purchaser of old coin - I have a Silver dollar of A.D. 1802 U.S.A. Also a Bill for Eight Dollars #4900, dated Annapolis 1st day January 1767 -

If you can inform me of the probable market worth of the above specimens you will greatly oblige Yours

Very Respectfully
